## PROFILE

I am a journalism major at the University of Missouri with a passion for finding the truth and delivering it to audiences in an easy-to-understand, compelling way. I believe knowledge empowers people, and journalism is an accessible way to educate people and expose them to different viewpoints. My goal is to use my platform as a journalist to raise a variety of voices in the community, especially those that have been silenced and oppressed.

---

## EXPERIENCE

### Executive Producer and Evening Anchor

June 2020 – Present

KOMU-TV (NBC), Columbia, Missouri

- Serve as editorial lead, supervising team of 6-8 producers and reporters and approving all copy for the web and on-air broadcasts
- Oversee production of newscasts, ensuring stories are ethical, accurate, fair, and balanced
- Anchor 6pm and 10pm newscasts

### Producer, Digital Producer, and Multi-Media Journalist

November 2018 – Present

KOMU-TV (NBC), Columbia, Missouri

- Select and write stories that are meaningful and relevant to mid-Missouri community
- Create newscast rundown and coordinate live coverage
- Research and pitch original day-turn and in-depth stories
- Keep station's digital platforms up to date by writing and promoting stories

### University of Missouri Tour Team

February 2019 – July 2020

- Provide tours for prospective Mizzou students and their families
- Introduce visitors to campus and get them excited about the educational, professional, and extracurricular opportunities Mizzou provides and the many resources available to students

---
